

4.2 Environmental Policy.

Environmental Policy Statement.

The Management of Christie & Grey Limited regards the promotion and preservation of the environment as a mutual objective for Management and employees at all levels.

Christie & Grey are committed to protecting and continually improving the quality of our working and local environments, and ensuring that the business meets and exceeds its obligations to provide a safer, cleaner, healthier and sustainable environment, which will meet present and future legislative needs.

The objectives of this policy are to:

- Reduce the production of waste and encourage wherever possible waste recycling.
- Provide environmental and energy awareness training to all staff to ensure a greater understanding of environmental issues and promote continual environmental improvements.
- Evaluating environmental aspects and impacts when considering new plant, equipment or processes.
- Prevent pollution and nuisance.
- Management of the safe and effective disposal of waste materials and hazardous waste through approved agencies.

Christie & Grey Ltd will comply with environmental laws, regulations and other requirements relevant to its business, and ensure that all process operations and interfaces are effectively managed and controlled in accordance with the principles of BS EN ISO 14001:2015

The environmental policy and its implications will be communicated to all interested parties and will be available to the public via the Christie & Grey web site at www.christiegrey.com.

Periodic reviews will be undertaken to determine the suitability and effectiveness of the system and identify continual improvement objectives required to fulfil the policy
